

# Accessibility Statement – MoveFwd.

**Last updated: June 2025**

At MoveFwd., we aim to ensure that our website is accessible to as many people as possible, regardless of ability, background, or device.

---

## **Our efforts include:**

- Sufficient contrast between text and background
  - Responsive design on all screen sizes
  - Keyboard navigation support
  - Clear link and button labels
  - Minimised use of visual overload or distracting effects
- 

## **Wix platform features**

This site is built using the Wix platform, which includes accessibility tools such as:

- Semantic HTML for headings and links
  - ALT text on images where applicable
  - Scalable fonts and responsive layout
  - ARIA roles where supported
-
